Hello Ken,

I am excited to let you know that we are very happy and pleased with the mattresses we purchased from your company. For the last two years that you supplied us this product particularly for our graduate student building Hamilton Hall, our newly renovated McTaggart Cowan Hall and the extra 50 mattresses that we used to replace the old mattresses from different co-ed rooms, we never heard any complain from the students at all.

The texture, the softness and the overall quality of the mattresses just suited our need and we made our residents very content.

I am looking forward to order more in the near future when we upgrade the rest of our buildings here in the residence and housing.

Thank you.

Jackie
